THE FLYING!!!

You will be flown in one of a variety of aircraft donated by our highly qualified volunteer pilots. From a single engine Cessna to a helicopter to a business jet, you will have the opportunity to experience the thrills that pilots love.

You will be taken on a 45 minute flight around the city of Birmingham. ***And the best part of it is that your immediate family gets to go, too!***

We know that the battle against a serious illness is a family affair, so we want the immediate family to share in your fun.

Dreams On Wings Mission:

Giving children faced with serious illness the experience and joy of flight which pilots feel privileged to share”

Dreams On Wings

Have A Full Day Of Fun On Us!!

When a child is faced with a serious illness it affects the entire family. Dreams On Wings is designed to give those children and their families a day to forget about the issues they're dealing with and do something few people get to do—

FLY!!

Through the generosity of numerous individuals and organizations, the Dreams On Wings program provides a full day of entertainment--Limo rides, games, food, drink, clowns, and **FLYING!!**

The goal of Dreams On Wings is to put a smile on the faces of children and their families who are dealing with serious illnesses.

Events of the Day

A smiling Dreams On Wings volunteer will meet you at the Birmingham Air National Guard Base at the Birmingham International Airport. This is where the fun begins.

Our hope is to give you and your family a "day off" from any medical challenges to enjoy all the fun events available.

***Dreams On Wings** was awarded the 2008 National Public Benefit Flying Award from the National Aerospace Association and the Air Care Alliance!*

Sign-up Form

Yes, please send me more information about Dreams On Wings! I am interested in
 Volunteering **Flying with my child and family.**
